

# Raguet Elementary

We Can All Be CHAMPions

Dear Raguet Parents/Guardians,

Fall 2017

I am so glad you are a part of our amazing Raguet family. It will be another incredible and productive year for all of us.

If your child has been at Raguet, they can probably tell you that my number one priorities are safety and instruction. Your child must feel safe in order to learn. In addition this year, we are going to work on some essential character expectations for our students. When your child leaves Raguet, my hope is that not only has he/she grown academically, but we have also provided them with tools to be successful in life. This year our campus will be focusing on twenty student expectations taken from the book The Essential 55 by Ron Clark. Each week, I will be sending out our focus lessons with the Parent Monday Memo so that you will know what we are working on.

Communication is key to us working as a team on your child's success. So that you are aware of procedures and expectations at Raguet, please read our Student Handbook. You should receive it from your child's teacher at the beginning of the year. We will also make sure it is available on our website for easy access. As the principal, I send out an electronic Monday Memo each weekend so that you are aware of upcoming events each week. If you are not signed up to receive the Monday Memo, please email me at [jwells@nacisd.org](mailto:jwells@nacisd.org). Include your child's name, teacher and your preferred email address. The Monday Memos are also placed on our Raguet website each week, and on Facebook. If you have not liked us on Facebook, please do so. We try to post a couple of items each week.

As we begin the year, please know that careful consideration has been taken when placing each child into classrooms. Our classrooms have been balanced academically and socially to provide the best learning experience for your child. ALL of our staff works hard to make school a positive experience for EVERY child.

It is an honor and privilege to serve as your principal. Please stop by and say hello. Together, I know we will make this school year one of growth and achievement for your child.

Sincerely,  
Julia Wells, Principal  
Raguet Elementary
