

Raguet Elementary

COME *Grow* WITH US

Dear Parents of Raguet Elementary Students,

Welcome to a new school year! I can't wait until the halls are full with all our teachers and students. I enjoy the quiet around here for about two weeks, and then I am ready for the sounds of school. I hope you all had a chance to get away and have a vacation or relaxed on a staycation.

As I thought about all the changes our school will have this year, I wanted to assure you that our commitment to every child's education will be consistent. Our leadership team and teachers have spent a lot of time this year preparing for excellence. I want you to know that my main focus is on each child's safety and learning. I will make sure each student who comes in our building feels safe and knows we all care about his/her education.

If you are new to Raguet, we are excited to have you here. Please know that I am available when you need me. I am here for you and your child. My job is to make sure all students are safe and getting the best education from the best teachers. That is why you will see exceptional teaching at Raguet. When I am asked how I make a difference in the lives of students, I tell them it is by making sure I support and help each teacher be the best they can be.

I want to encourage all of our parents and friends to spread the news of great things you seeing going on at Raguet this year. I want our message to get out that great things are happening in NISD!!

I would also like to invite you to sign up for the school's Monday Memo received via email. This is a brief weekly calendar with upcoming activities. If you would like to receive this weekly reminder, please send me a quick email at jwells@nacisd.org so I can add you to the list. Please include your child's name and grade level.

It is my hope that as students, parents, teachers, and administrators working together, we will have the best year ever! Once again, welcome to a great year at Raguet!

Sincerely,
Julia Wells
Principal
